Hello Anne,

We finished our first draft for our proposal.

We are currently working on the detailed plan (gantt chart)
Is it possible for us to make some assumptions??
as it is difficult to predict what will happen in the next semester.

Thanks
Yue & UpStage team

Hi Team,

Thank you for the initial draft which I have gone through and annotated. It is a good start, but I have not attached my annotations yet as I think we should talk about the plans for the next two semesters. As the ongoing three members will confirm this came up at their review yesterday and I think it would be wise if we all met to cover this and the proposal feedback.

I note from the schedule you sent me that you are all normally free tomorrow afternoon so I am wondering if the whole team could make a meeting with me at 3:30pm tomorrow?

I think this will give us a chance to look at plans in detail and ensure that all have a good handle on this prior to the proposal presentation.

Can you please confirm that you are all able to make this meeting?

Cheers,

Anne
